Letter No. ⁴¹⁵ /PCJ H / T-6

Dated 18 March, 2020

Corrigendum No.2 of RFP

Assignment Title: Consultancy Services for Tender Stage Technical & Management Assistance for Proposed Jamrani Dam Multipurpose Project on Gola River, Haldwani, Nainital, Uttarakhand.

Subsequent to the invitation of RFP no. 03/ SE/ 2019-20 'Consultancy Services for Tender Stage Technical & Management Assistance for Proposed Jamrani Dam Multipurpose Project on Gola River, Haldwani, Nainital, Uttarakhand' and Corrigendum No.1 for the same, the TOR for the above titled RFP stands amended as given in attachment.

Also, the Clause 6.3.2. of the RFP 'Total Cost in the Financial Proposal in Form-2 of Appendix-II (Financial Proposals) will be considered for final evaluation of Financial Proposal' should be read as 'Total Cost in the Financial Proposal Format will be considered for final evaluation of Financial Proposal.' and

In Clause 11.0 the Proposal Processing Fee shall be now be a sum of Rs 4720/- (Rupees Four Thousand Seven Hundred and Twenty only) in two separate Demand Drafts of Rs.4000/-(Four Thousand only) and of Rs.720/-(Seven Hundred and Twenty only) instead of Rs.4000(Four Thousand only) and Rs.360/- (Three Hundred and Sixty only).

Rest of the conditions of RFP remain unchanged.

(Sanjay Shukl)
Superintending Engineer

Terms of Reference

1.0 Objectives of the assignment

The objective of this consultancy is to undertake preparation of detailed tender stage designs and drawings of proposed dam. It is also required from the Consultant to cater the queries raised from time to time to various stakeholders like the funding agency, State or Central Govt., various ministries of the State and Central Govt.

SCOPE OF WORKS(TOR)

2.0 A) Tender Stage design and drawings

The Department seeks the services of the competent firms for preparation of tender stage designs and drawings for proposed Jamrani Dam Multipurpose Project scheduled to be constructed over Gola River at Jamrani Village in Bhimtal block of Dist. Nainital. The Terms of Reference (the "TOR") for this assignment are specified below.

- I The Department seeks the services of competent firms for preparing Tender stage designs and drawings for proposed Jamrani Dam Multipurpose project scheduled to be constructed over Gola river at Jamrani village in Bhimtal block of Distt Nainital. The Terms of Reference (the "**TOR**") for this assignment are specified below.
- II The Consultant shall carry out the detailed topographical surveys of the submergence area and project area up to Gola Barrage .
- III The Consultant shall prepare tender stage designs and drawings of the proposed dam and its appurtenant works (Diversion Tunnel, Cofferdams, Power House, etc).
- IV The Consultant shall also plan the layouts of construction equipment as per the area available at site of work.
- V Consultant shall liaise with concerned authorities and seek all required clarifications.
- VI The Consultant shall provide necessary assistance to the Authority to obtain the necessary (work related) clearances, if any, so that project implementation can proceed smoothly.
- VII The Consultant shall mobilize all necessary survey equipment, computers, software and all other equipment required to fulfil the job.
- VIII The Department shall provide all necessary and reasonable support to the Consultant to collect secondary data by issuing authorization letters. The Consultant will be responsible for any translation of documents, if required and for processing of data.

2. **B) General Technical and managerial assistance**

1. General technical and managerial assistance to the project authorities including following
 - Advise the department on technical and regulatory issues referred.
 - Identify the conditions stipulated by various central agencies (CWC/CEA/GSI/CSMRS/MoEF/MOTA etc.) and state regulatory authorities in their clearances which need compliance and assist the client in complying with these conditions.
 - Preparation of reports and technical presentations required by the Department
 - Assist the client in presenting the case to various regulatory authorities and provide all technical help in obtaining the clearances
2. Attending the project related meetings at various locations.
3. Interacting with the prospective funding agencies on behalf of the client, making presentations, preparation of reports etc.
4. Any other related activity as envisaged by the project authorities.
These services are initially required for twelve months.

3. **Deliverables**

The Consultant shall deliver the following deliverables (the “**Deliverables**”) during the course of this Consultancy. Five hard copies and two soft copies in CDs/DVDs/Pen Drives of all the final reports, drawings, etc. shall be submitted to the Authority. For draft reports only three hard copies and one soft copy in CD/DVD/Pen drive shall be submitted to the Authority.

3.1 **Inception Report**

Within a period of 1 week of commencement of the Consultancy, the Consultant shall submit an Inception Report. The Inception Report shall include -

- i. Project appreciation;
- ii. Detailed methodology to meet the requirements of the TOR finalized in consultation with the Authority; including scheduling of various sub- activities to be carried out for completion of various stages of the work; stating out clearly their approach & methodology for project preparation after due inspection of the entire work area and collection/ collation of necessary information;
- iii. Task Assignment and Manning Schedule;
- iii. Work programme;

3.2 Submission of Draft Tender Stage drawings and designs of main dam and appurtenant works (Diversion Tunnel, Cofferdams, Power House etc)

3.3 Submission of Final Tender Stage drawings and designs of main dam and appurtenant works (Diversion Tunnel, Cofferdams, Power House etc)

3.4 Updating of Cost Estimate to 2020 Price Level

3.5 Any other studies that may be required during the course of the assignment.

4.0 Time Schedule for deliverables

No	Deliverables	Time required
1	Site visit & Inception Report	4 Weeks
2	Completion of field work, Submission of Draft Tender Stage drawings and designs, Updated Cost Estimate	0-4 Months
3	Submission of Final Tender Stage drawings and designs.	0-6 Months
4	Other Studies	Within 6 months of finalization of study specific ToR
5	Technical and Managerial Assistance	0– 18 Months

5.0 Payment Schedule

The deliverables and payment terms in respect of services specified in 2A and 2B of ToR shall be made as follows

No	Milestone for Items under 2 A and 2B	% of payment
1	After Site Visit Inception reports	Up to 10%
2	Completion of field work and submission of draft Tender Stage drawings and designs, Updated Cost Estimate.	Up to 50%
3	Submission of Final Tender Stage drawings and designs and other documents.	Up to 70%
4	Other studies	Up to 90%
5	Final Completion of the assignment including providing of managerial & technical assistance to the department.	100%

For technical managerial Assistance part of assignment detailed under Para 2B payment terms shall be mutually decided.

The payment of fees can be made on job completed basis of the agreed sum, subject to satisfactory Achievement of mutually agreed progress milestone. No advance will be made in any circumstances.

The consultancy firm/agency Shall Submit the bill for payment when it is due as per the agreed terms the payment shall be released as per the work related milestones achieved and as per the specified percentage.

Once a milestone is achieved, the consultancy firm/agency shall submit the requisite deliverables. The Authority shall release the requisite payment upon acceptance of the deliverables.

Approach & Methodology specific to the project

Approach, methodology and work plan are key components of the Technical Proposal. You are suggested to present your Technical Proposal inclusive of charts and diagrams for Full Technical Proposal, divided into the following three chapters:

- a) Technical Approach and Methodology,
 - b) Work Plan, and
 - c) Organization and Personnel,
- a) **Technical Approach and Methodology.** In this chapter you should explain your understanding of the objectives of the assignment, approach to the services, methodology for carrying out the activities and obtaining the expected output, and the degree of detail of such output. You should highlight the problems being addressed and their importance, and explain the technical approach you would adopt to address them. You should also explain the methodologies you propose to adopt and highlight the compatibility of those methodologies with the proposed approach.
 - b) **Work Plan.** In this chapter you should propose the main activities of the assignment, their content and duration, phasing and interrelations, milestones (including interim approvals by the Client), and delivery dates of the reports. The proposed work plan should be consistent with the technical approach and methodology, showing understanding of the TOR and ability to translate them into a feasible working plan. A list of the final documents, including reports, drawings, and ables to be delivered as final output, should be included here.
 - c) **Organization and Personnel.** In this chapter you should propose the structure and composition of your team. You should list the main disciplines of the assignment, the key expert responsible, and proposed technical and support personnel. You shall also specify if you will be the lead firm in a joint venture or in an association with Sub-Consultants. For joint ventures, you must attach a copy of the joint venture agreement.

Tender No. 03/SE/2019-20 Dated 12-02-2020

Assignment Title: Tender Stage Technical & Management Assistance for Proposed Jamrani Dam Multipurpose Project

Date of Prebid: 01-03-2020

Response to Bidders' Queries

SI No.	Reference/ RFP Clause	Bidders' Query	Department's Response/ Clarification
1.	Clause 3.0	We presume that there is a typographical error on the dates mentioned for financial bid opening. We request you to kindly review and update the same.	Last date for submission of Bids is 03-04-2020, 3.00 PM Technical Bids will be opened on 04-04-2020, 11.00AM Date of Opening of Financial Bids shall be intimated to the technically qualified bidders after the evaluation of technical bids. Same has been amended in Corrigendum no.2.
2	Clause no 3 (2)	Considering the magnitude and complexity of the project, the eligibility criteria set out here is very low. We request you to kindly revisit the same. We suggest the following modification for your consideration. <i>"The bidder or its associate should have completed a consultancy work at least 2 assignments not less than Rs 2 Cr in the field of design of dams / water resources projects for a project cost more than INR 400 Crores".</i>	Eligibility criteria has been set to attract the competitive bids. The original Clause remains unchanged.
3	Clause no 3 (4)	We understand that, only CV's of key professionals mentioned under point no. 6 are to be submitted. No other CV's are required to be submitted in the bid. Please confirm our understanding.	Confirmed
4	Clause no 4 (5)	The minimum criteria given for Senior Technical Expert is person specific and limiting participants of other qualified engineers. Hence, we request you to kindly review the same. The following are the changes proposed by us for point (i & ii) your reference. <i>i. The expert should be minimum M.Tech / M.E in water resources or related field</i>	Position of Senior Technical Expert is crucial from the point of view of the complexities and specialised nature of the assignment. Bidders can quote the CVs of lesser qualified and lesser experienced expert than of qualification and experience of expert as given under Clause 4 (5). However, the technical

		<p>ii. <i>The expert should have a minimum experience of 20 years of experience in river valley or water resources sector projects. Previous experience in govt. sector projects is preferable.</i></p>	<p>scoring will be done keeping in view the desired qualification and experience.</p>												
5	<p>Clause No. 4(6): Key professionals</p>	<p>We request to split the design expert into two positions i.e. Dam Design Expert and Structural Design Expert. Also, to encourage participation of younger engineers who having better knowledge in latest software design skills & technology, we suggest you to kindly relax the experience criteria from 25 years to 15 Years. Accordingly, the modified statement is as below:</p> <table border="1"> <thead> <tr> <th>Position</th> <th>Qualification Required</th> <th>Required Experience</th> </tr> </thead> <tbody> <tr> <td>Dam Design Expert</td> <td>BE/ME in Civil Engineering/ Water Resources related field</td> <td>"Should have minimum 15 years of experience in the field of design of dams and its appurtenant works".</td> </tr> <tr> <td>Structural Design Expert</td> <td>BE/ME in Civil Engineering/ Water Resources/Structural or related field</td> <td>"Should have minimum experience of 15 years of experience in the field of design of hydraulic Structures and powerhouse".</td> </tr> </tbody> </table>	Position	Qualification Required	Required Experience	Dam Design Expert	BE/ME in Civil Engineering/ Water Resources related field	"Should have minimum 15 years of experience in the field of design of dams and its appurtenant works".	Structural Design Expert	BE/ME in Civil Engineering/ Water Resources/Structural or related field	"Should have minimum experience of 15 years of experience in the field of design of hydraulic Structures and powerhouse".	<p>As the proposed dam is 150m high dam and is very complex in nature, the qualification requirements have been decided accordingly.</p> <p>The original Clause 4 (6) remains unchanged.</p>			
Position	Qualification Required	Required Experience													
Dam Design Expert	BE/ME in Civil Engineering/ Water Resources related field	"Should have minimum 15 years of experience in the field of design of dams and its appurtenant works".													
Structural Design Expert	BE/ME in Civil Engineering/ Water Resources/Structural or related field	"Should have minimum experience of 15 years of experience in the field of design of hydraulic Structures and powerhouse".													
6	<p>Clause 4(6)Marks assigned to various positions</p>	<p>In continuation to our earlier point, the marks may be distributed as below:</p> <table border="1"> <thead> <tr> <th>Key Professional</th> <th>Marks assigned</th> </tr> </thead> <tbody> <tr> <td>Senior Technical Expert</td> <td>50</td> </tr> <tr> <td>Dam Design Expert</td> <td>15</td> </tr> <tr> <td>Structural Design Expert</td> <td>15</td> </tr> <tr> <td>Design Expert (Hydro-Mechanical)</td> <td>10</td> </tr> <tr> <td>Design Expert (Electro-Mechanical)</td> <td>10</td> </tr> </tbody> </table> <p>Kindly accept.</p>	Key Professional	Marks assigned	Senior Technical Expert	50	Dam Design Expert	15	Structural Design Expert	15	Design Expert (Hydro-Mechanical)	10	Design Expert (Electro-Mechanical)	10	<p>As the proposed dam is 150m high dam and very complex in nature, the qualification requirements have been decided accordingly.</p> <p>The original Clause 4 (6) remains unchanged.</p>
Key Professional	Marks assigned														
Senior Technical Expert	50														
Dam Design Expert	15														
Structural Design Expert	15														
Design Expert (Hydro-Mechanical)	10														
Design Expert (Electro-Mechanical)	10														

7	Clause no 5.0	<p>RFP not specified how many copies of technical and financial proposal to be submitted. Please indicate the same.</p> <p>Based on the normal practice, we presume that, two Copies of Technical proposal (i.e. 1 Original and 1 Copy) and 1 Original copy of Financial Proposal to be submitted at Office of Superintending Engineer, Project Circle Jamrani, Haldwani. Please confirm the same.</p>	Confirmed.
8	Clause no 6.0	In clause no. 6.1.1. it was mentioned that, the 100 marks shall be assigned to technical bid i.e. technical approach and methodology, work plan and organisation only. Please confirm.	Technical bid evaluation shall be based on scoring criteria as given in Clause 6.1.2
9	Clause no 6.3.2	Form-2 of Appendix –II (Financial Proposals) is not found and only financial proposal format is available. It seems that both among are the same. Please confirm.	Confirmed.
10	Clause no 8.0	As per general practice, we request you to kindly accept the contract performance guarantee for a value 5% Tendered cost in the form of Bank Guarantee.	Agreed.
11	Clause no 10.0	<p>As per general practice, we request you to kindly accept the Bid Security in the form of Bank Guarantee in Scheduled Banks. We request you to kindly provide the format of Bank Guarantee for the same.</p> <p><i>“As per “Indian Banks Association” circular dated 16.04.2015, it is mandatory to provide the IFSC code of the beneficiary to the BG issuing bank for sending a separate advice of the BG through SFMS (Structured Financial Messaging System) In this regard, we request you to kindly provide the following</i></p> <ol style="list-style-type: none"> 1. Name of the Client (in Bank) 2. Name of the bank and address: 3. Current Account No.: 4. IFSC code: 	The original Clause 10.1 remains unchanged.
12	Terms of Reference (ToR) Point (A)II	The requirement of survey may be explained in detailed for better understanding and kindly provide the details of area/project components to be surveyed. It would be better if simple sketch of the project layout along with area /boundary marked for the extent of survey required is provided. Also, kindly specify the topographical surveys to be performed by using	<p>Salient Features of the project are given in Clause 2 of RFP. Topographical survey with DGPS/Total Station shall be carried out by the bidders, as per the requirement of design stage.</p> <p>Apart from topographical surveys, the consultant may be</p>

		<p>Aerial LiDAR/Drone or DGPS/Total Station etc.</p> <p>We presume that, apart from Topographic survey, no other field investigations are not part of the scope of this assignment. If any additional survey is required during the assignment period, Client shall perform separately with other agency and inputs to be provided to the Consultant as an input to complete the assignment.</p>	<p>required to carry out other specialised studies like</p> <ul style="list-style-type: none"> i) 2D Numerical Modelling for sedimentation in reservoir . ii) 1D Numerical Modelling for sedimentation in reservoir . iii) Dam Break Modelling including Flood Inundation Modelling in down stream iv) Specific Seismic Study v) Dynamic Analysis of Dam considering time spectra <p>Detailed ToR for these studies shall be finalised in consultation with ADB experts.</p> <p>Bidders are requested to quote prices for each of these studies along with the Financial Bid.</p>						
13	Terms of Reference (ToR) Point (A)III	<p>We presume that, it includes preparation of technical specification for all components of dam and powerhouse component up to switchyard along with detailed design with drawings. Further, Transmission line, Barrage, Irrigation and drinking water components are excluded.</p> <p>Please confirm.</p>	Confirmed						
14	Terms of Reference (ToR) Point (A)V	<p>Please clarify whether preparation of tender documents for EPC contracting along with General terms and Conditions and Special terms and conditions are included in the present scope of Consultant or not.</p> <p>Also, kindly confirm, bid management support i.e. pre-bid meeting support, response to bid clarifications, bid evaluation and assisting in selection of contractor are included in present scope or not.</p>	ToR stands amended as in Corrigendum no.2.						
15	Terms of Reference (ToR) Point B – last line	<p>We presume that the statement for timeline specified here are correct and accordingly we request you to kindly update in the clause 4.1 table</p>	The period of 12 months is for the Part A of the ToR and is correct. Updating of Table under Clause 4.1 is not required.						
16	ToR Clause 4.1 Table	<p>In continuation to the above point, we request you to kindly modify the time period as below:</p> <table border="1" data-bbox="459 1337 1361 1406"> <thead> <tr> <th>#</th> <th>Deliverables</th> <th>Time period</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>Site visit & Inception Report</td> <td>1 month from the date of signing of</td> </tr> </tbody> </table>	#	Deliverables	Time period	1	Site visit & Inception Report	1 month from the date of signing of	Updating of Table is not required.
